

COMPUTERS L.L.C

THE FUTURE INNOVATION

Since its Establishment in October 2008 by Mahboobullah Nayebkhil (Parent Company: MAHBOOB NAIEB KHIL LTD), MYZ Computers LLC has been providing a variety of reliable networking products, toner cartridges (printer consumables) and networking cables to its loyal customers all over The United Arab Emirates, and exports to the GCC, CIS, African and Asian countries.

MYZ Computers LLC is proud to be partners with international companies such as TP-LINK, LINKSYS, ASUS, HUAWEI, D-LINK, NETGEAR, UBIQUITI, UNV, ARUBA, and RUIJIE.

MYZ Computers LLC has also developed its own brand of MYZ compatible toner cartridges and networking cables.
